

Loss of pink-slip

Question:

I am a citizen of Russia, my daughter and me are living in Cyprus with pink-slips. But we lost daughter's pink-slip. At this point do I have to leave without pink-slip? They have all the information in computer.

Response:

Dear Reader,

Do not worry about that. Your daughter's passport, Alien Card and details are in the file of Civil Registry and Migration Department. The only thing that you have to do is to visit CRMD in Nicosia with your daughter, explain to the Officer that you have lost the Pink Slip and ask for True Copy of your daughter's Pink Slip. You will have to pay for this a small fee there and maybe you have this at the same day. The officers shall inform you about that. It is important for you to have your Pink Slips in order to avoid any inconvenience during your staying in Cyprus.
